

Route 123 and Braddock Road At-Grade Interim Improvements

Contract Number CN15124103
Project Number 2G40-015-000
Springfield and Braddock District

Department of Public Works and Environmental Services
Working for You!

A Fairfax County, VA, publication
May 4, 2016

Project Details

Project Description:

The project consists of at-grade intersection improvements for the Route 123 and Braddock Road intersection. The At-Grade Improvements will provide immediate operational improvements that could be made without major right-of-way acquisition. Improvements include adding second northbound and southbound Route 123 left turn lanes, increasing the left turn lane along eastbound Braddock Road, and installing streetlights.

Project Team:

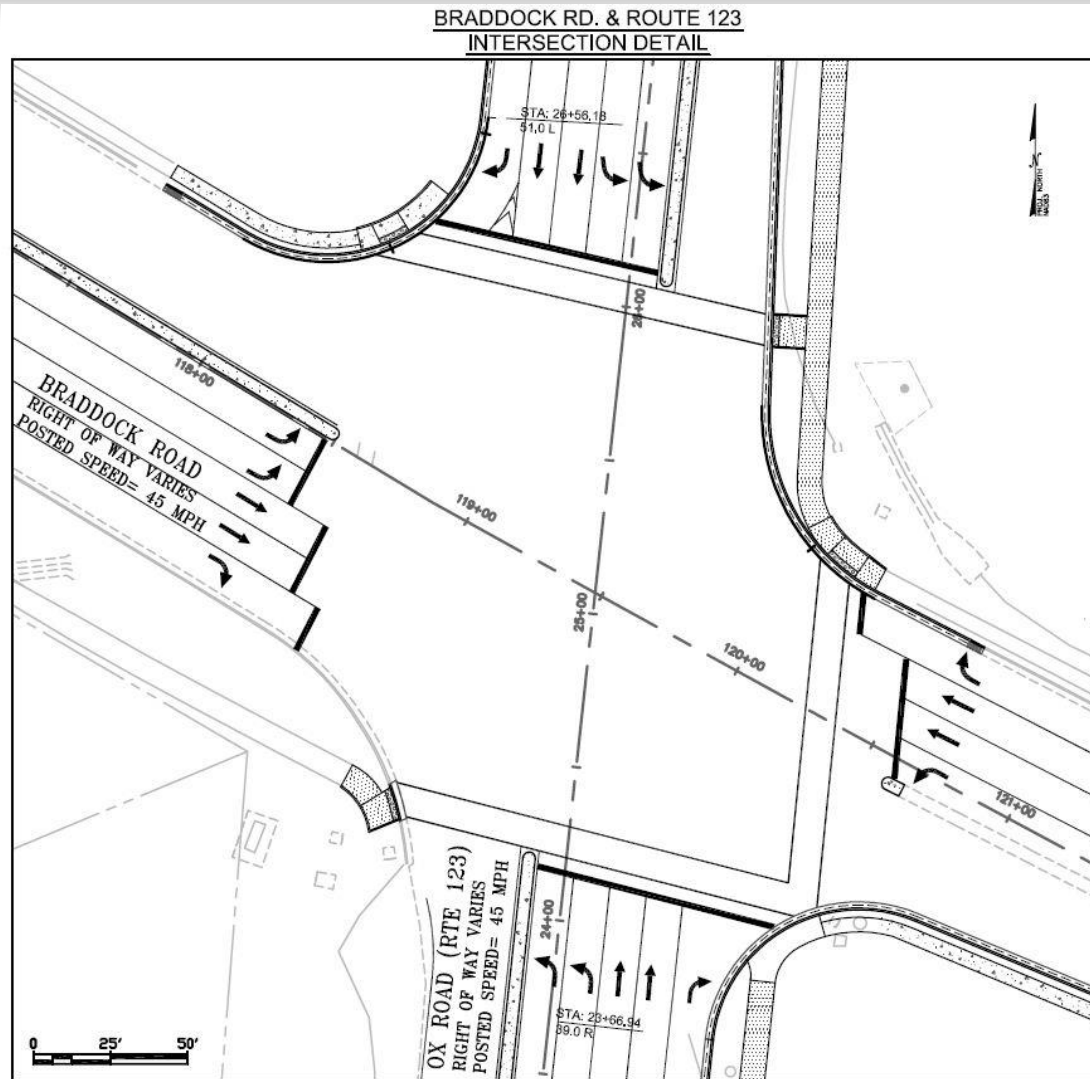

- Fairfax County Department of Transportation, Transportation Design Division
- Fairfax County Department of Transportation, Capital Projects and Operations Division
- Fairfax County Land Acquisition Division
- Fairfax County Utilities Design and Construction Division, Transportation Construction Branch
- Design Consultant - Parsons Brinckerhoff
- Construction Contractor - Ardent Company
