Welcome – Paul Liberty, FCCAB Chairman (\*Note: Chair Liberty’s term ends with the May 2022 meeting, Mayor Meyer will become Chair starting with the October 2022 meeting)

## University

- 50<sup>th</sup> Anniversary of George Mason University becoming an independent 4-year institution
  - April 7, 2022 – FCCAB will receive invitations
- University Master Plan (written update below provided by Tobi Walsh, Assistant Vice President, Capital Strategy and Planning, Office of the Senior Vice President)

The two-phase Master Planning study was completed in December 2021, and will be presented to Mason’s Board of Visitors in February 2022 for their official approval and adoption. The Master Plan will serve as a framework for decision making for how we will use our campuses and our physical space to advance Mason's mission. The plan implies no schedule, nor guarantee for the delivery of capital projects. Phase 1 analyses included a needs-assessment which led to the compilation of Mason’s 6-Year Capital Plan, and the Phase 2 report guides the siting of these future projects on our three primary campuses. The 6-Year Capital Plan, which includes proposed phasing and funding pro formas for prioritized capital project development, was approved by the Board of Visitors in September 2021, and will undergo an annual refresh as Mason’s strategic priorities and funding plans are evaluated each year.
