Project Details:

- **The Recreation Athletic Complex (RAC) building currently houses a gym (the “Cage” gym) that is dedicated to the Intercollegiate Athletics (ICA) basketball program for practice/training. The project will expand/enlarge the Cage gym to house two full size practice courts and provide an addition for the basketball program and athlete academic support.**
- **Basketball administrative offices are located at the basketball event arena, EagleBank Arena (EBA). This project looks to move the administration office to the RAC addition.**
- **Athletic academic support for over 500 student-athletes is currently housed in a modular building (West PE Building). This project looks to move the entire athletic academic support program to the RAC addition.**
- **Approximately 30,000 GSF of new space. Within the new space there will be:**
 - **5,540 ASF of academic support;**
 - **3,260 ASF of offices for basketball staff;**
 - **11,970 ASF of new training facility/performance support spaces; and**
 - **With the remaining GF as non-assignable.**

Site View/Plan Concept:

Pre-planning Study

- Mason contracted for a pre-planning study
- The project stakeholders were engaged to develop program requirements, room data criteria and space adjacencies
- Massing/stacking/blocking concepts developed during the preplanning study.
